Theme for the month – Colours and Shapes

Children explored with different colours and shapes this month. We introduced primary, secondary and neutral colours each week and the children came dressed in these colours.

Activities done during the month:

- ✦ Stick puppets using different shapes – the children traced and cut different shapes and stuck them to make the puppets.
- ✦ Exploring colours – Mixing primary colours to get secondary colours, blow painting and spray painting.
- ✦ Show and tell activity – children were encouraged to speak about their favourite colours.

Celebrations – Grandparent's Day

Grandparent's day was a special occasion. The children were very excited to sing for their grandparents. After their performance, the children, together with their families, made a photo frame as part of the activity planned for the day. Then they proceeded to have the snacks that were specially prepared for the occasion. Photos uploaded on our school website:<http://primusschool.com/events/pics/>
